Vidimus & Phœbum tenebris, Phœbiq́ ſororem
Obductam, propria mox nituiſſe face:
Proh dolor, amiſit rutilum ſed DANIA Solem
Luxq́ abijt Gothicis vix reditura plagis.
Hev miſeros tanto ſpoliatos lucis honore,
Queis luctum tenebris nox feret atra ſuis.
Relligio nam tutamen: Reſpublica nervos:
Fautorem Muſæ: Nobilitasq́ decus:
Patria præſidium: Ventos Fortuna ſecundos:
Ductorem martis prælia: paxq́ togam:
Delicias genus humanum: FRIDERICE benignum
Eheu perdidimus, te moriente patrem.

Ergò fuit radijs quæ nuper clara ſerenis
DANIA, luminibus Rex FRIDERICE tuis:
Pallet, & incluſa tenebrarum nube ſtupeſcit,
Viuit, & eſt vitæ non memor ipſa ſuæ.
Viuimus, & tædet præſentem viuere vitam,
Quæ per te dulcis, te ſine triſtis erit.

Nil igitur nobis, ſpem præter, ſuave relictum eſt,
Spes ea certa quidem, ſed remoranda diu.
Surcule vive precor, claro ſate ſanguine regum
Nomen Avi retinens, ingeniumq́ Patris:
Cui parent boreo reſonantia littora fluctu.
Subditaq́ Arctoo maxima regna polo.

In quem, quod reliquum eſt, ſpem nos conjecimus omnem,
Sit rata, ſit ſummo firma jubente DEO:
Creſce precor, famamq́; Patris virtutibus æqua,
Te pietas magni ſancta coronet Avi:
Exornent Muſæ: ducat prudentia: frenet
Regius imperio jura ſevera favor.
Sic tandem patrias Lux alma redibit in oras,
Claudet & eventu, ſpes ſua vota, bono.

At lachrymæ dum nos, & cura dolorq́; fatigant,
O lachrymæ, ô nunquam intermoriture dolor:
Tuq́; beatorum ſedes ſuper æthera vectus
Immenſum felix Rex FRIDERICE tenes:
Divorum conſors ſalve: heros inclyte ſalve:
Et procul hinc, longum, diſsociate, vale.

EPITAPHIUM.

NOn Euphrateæ tumulo conduntur arenæ
Quem tu Viator conſpicis:
Non auri precio ſuperantes pondera gemmæ,
Quibus ſuperbit India:
Pondera nec thuris, nec grata Opobalſama, læto
Quæ gignit Ægyptus ſolo.
Omnibus at longè ſunt hæc potiora metallis
Gazasq; vincunt perſicas.
Dania quicquid habet, vel habent Cymbriq; Gothiq;,
Tempeq; & Alpes Norici.
Auguſtum, excellens, votis optabile, charum,
Servatur alto hoc marmore.
Nam cineres hæc tumba tegit ſacrata Monarchæ,
Inter Monarchas principis:
Cujus vix ſimilem præſens hæc viderat ætas,
Ventura vel dabit dies:
Quin tellus decus acceptum fœcunda refundet
Illuſtre, florens, vividum:
Vt ſolis vincat puro candore nitorem,
Et aſtra vincat cætera.
Scilicet hoc ſummi quondam domus inclyta Iouæ
Latet ſepulchro condita.
Hos igitur pia poſteritas, reuerenter habeto
Cineres humati principis.

Vigebit & famæ jubar:
DANIA donec erit, virtus, & nomen honeſti:
I livor, hinc nil auferes.
